ABOUT THE JOURNAL

The International Research Journal of Education and Sciences (IRJES) is a biannually printed and e-journal of the Malaysian Association of Research and Education for Educators. IRJES publishes research manuscripts in the field of Education and Sciences. The aims and scope of the journals are to:

- Provide a journal that reports research on topics that are of international significance across educational and scientific contexts
- Publish high quality manuscripts that are of international significance in terms of design and/or findings
- Encourage collaboration by international teams of researchers to create special issues on these topics
